## Policy

Computer science student currently pursuing undergraduate at UTK (3rd year). I aspire to approach any opportunity with humility. This attitude has helped me cultivate fundamental skills in algorithms, web development, design, and general UI development. Such skills are elaborated.

## Program

**University of Tennessee, Knoxville**

**Bachelor of Computer Science**

Expected graduation: Spring 2024

Overall GPA: 3.32

Major GPA: 3.4

## Experience

**Website Dev Lead** Aug 2021 – present  
*Tennessee Lunabotics*  
<https://tennesseelunabotics.com/>

Tennessee Lunabotics is the official UTK organization dedicated to NASA's annual robotics mining competition.

- build a website without a static site generator
- JavaScript Integrations via Bootstrap

**Y12 Federal Credit Union Intern** Aug 2018 - Dec 2018  
*Y12 Federal Credit Union*  
Federal Credit Union consultant

- Accounting transactions for up-to \$50,000 a day
- Account generation + new customer experience
- Financial accounting of daily deposits/ withdrawals

**Group Project Manager** Aug 2022 - present  
*MeowTillery*  
MeowTillery is a start-up platformer game built with GD Script. Progress of this start-up can be seen at:  
<https://github.com/Jazny/MeowTillery>

**Print & Design** Aug 2022 - present  
*Office Depot*  
Using an amalgamation of software and basic digital skills to design custom prints and digital orders:

- Affinity Design | Affinity Photo | Affinity Publisher
- Graphic design

## Mechanisms

### Languages & Scripts

C++ and C

HTML, CSS, Bootstrap

GD Script

### Tools

UNIX commands – vim

GitHub, GitLab, Bitbucket

VS Code

Godot

Carrd.co | Hugo

## Relevant Course Work

Computer Organization, Data Structures & Algorithms 1, Data Structures & Algorithms 2, Systems Programming, Discrete Structures, and Algorithm Automata.

## Other

### Spoken languages

English - fluent

Kurdish (central dialect) - native

Arabic (formal) - elementary

### Other work

#### Kurdish Translation
